

DO IT FOR A DAY

DAY 1 – GET IN THE WATER

The Red Sea saw them coming and was quick to get out of the way. Psalm 114:3 NLT

There is a legend in Judaism about a man named Naason, The Talmud attributes to him the salvation of the people of Israel by a single act of courage.

When the Israelites were trapped between the Egyptian army and the Red Sea. There was no way out. It is precisely there where God gives them an order ! **Order the people to get going!**

It was crossing the sea, the problem was that the sea did not move! While the Israelites were arguing, the leader of the tribe of Judah, Naason, stepped forward and entered the Red Sea. He went inside until the water hit him up to his neck. At that moment that the Sea opens in two.

It was God who opened the sea, but it was Naason who made the miracle possible. What? Getting into the water. In the words of the psalmist “*The Red Sea saw it coming and hurried to get out of the way*” –Isn't it amazing?

There is an axiom that says; “***If you want to walk on the water, you must get out of the boat***”, Another axiom that is worth learning, “***If you want God to open the way, in the middle of the Sea, you have to get your feet wet***” Most of us spend part of our lives waiting on the shore for God to part the Red Sea. But God expects us to take the first step.

Taking the first step that is called Faith, Faith is taking the first step, believing in his word before God reveals himself.

I am convinced of the following, if you want God to do the supernatural, you have to do the natural.

You have to make a decisive decision.

You have to take a calculated risk.

You have to take a **STEP OF FAITH.**
